

Gymnasium roof restoration

School gymnasium | Texas Hill Country

Completed roof restoration

Modified bitumen

20-year L&M warranty

School roof restoration

THE CHALLENGE

The gymnasium had an aged modified-bitumen roof with seams and penetrations requiring preparation and detail work.

THE RAMTECH APPROACH

Power-wash the roof, treat seams and penetrations, and apply the restoration coating. On-roof and aerial footage document the work stages.

THE RESULT

Closing footage shows the restored white roof surface. The completed project includes a 20-year labor-and-material warranty.

Repair first. Restore second. Replace last.
